3 Large, Beautiful Studios

Our facilities, include three well-appointed studios with sprung dance floors, large mirrors, skylights for lots of natural daylight, and two dressing rooms for students' belongings.

Highly-Qualified Teaching Staff

Our teachers are all highly qualified, with the teaching and performance experience necessary to guide young dancers through our pedagogical process and to inspire their development as artists.

Classes by Level Placement

Most of our classes are grouped by level and age. This allows our teachers to instruct most effectively and the students of each class to progress more closely together.

To ensure that each student is attending the classes best suited to advancing their training, we do not hesitate to adjust a dancer's level at anytime throughout the year.

End-of-Year Performance

All of our students participate in a spectacular end-of-year performance, the culmination of their training accomplishments each year. Rich multimedia lighting, enchanting music and colourful costumes make this a magical experience. An inspiring event for friends and family!

COSTUMES for the end-of-year performance costumes are ordered. See below for more information on Costumes for the year-end show. Theatre Rehearsals and Performances: Sunday May 12, with a mandatory dress rehearsal on
