## FACILITY - 3 Large, Beautiful Studios

Our facilities, include three well-appointed studios with sprung dance floors, large mirrors, skylights for lots of natural daylight, and two dressing rooms for students' belongings.

## Classes by Level Placement and RAD Exams

We are pleased to offer Royal Academy of Dance Exam classes for adults. The students attend the exam class once a week plus an additional technical class of their choosing. The exams are generally the end of May or June. This year the exam class is the Grade 6 level.

## End-of-Year Performances

Although our adult programs are not based on a performance, we give the dancers the option to participate in the year-end show. The shows give the dancers an opportunity to work towards a goal, improve their performance skills and develop friendships. Rich multimedia lighting, enchanting music, intricate choreography, and colourful costumes make this a magical experience. If you are not able to participate, please consider watching our show on Sunday May 12, 1:00pm and 4:00pm shows (the adult ballet is performing in the 4:00pm show) at the Wolf Performance Hall (London Public Library). Tickets at the Wolf. Come see what it is all about.

# Teachers

## Highly Qualified Teaching Staff

Our teachers are all highly qualified, with the teaching and performance experience necessary to guide dancers through our pedagogical process and to inspire their development as artists.

### KRISTA CONTI

She is a fully registered member of The Royal Academy of Dance. She is also a member with the Canadian Dance Teachers Association and Associate Member with the British Association of Teachers of Dancing. Many of Krista's students have gone on to professional dance programs including the National Ballet School. Krista is thrilled to be on staff for over thirty years and will be teaching all the levels of the ballet program including the Company.
